I've been alive forever  
And I wrote the very first song  
I put the words and melodies together  
I am music and I write the songs

I write the songs that make the whole world sing  
I write the songs of love and special things  
I write the songs that make the young girls cry  
I write the songs, I write the songs

My home lies deep within you  
And I've got my own place in your soul  
Now when I look out through your eyes  
I am young again even though I'm very old

I write the songs that make the whole world sing  
I write the songs of love and special things  
I write the songs that make the young girls cry  
I write the songs, I write the songs

My music makes you dance and gives you spirit to take  
a chance  
And I wrote some rock 'n' roll so you can move  
Music fills your heart and that's a real fine way to start  
It's from me, it's for you, it's from you, it's for me  
It's a worldwide symphony

I write the songs that make the whole world sing  
I write the songs of love and special things  
I write the songs that make the young girls cry  
I write the songs, I write the songs

Yeah, I write the songs that make the whole world  
scream  
I write the songs of love and special things  
I write the songs that make the young girls cry  
I write the songs, I write the songs

I am music  
(Music)  
And I write the songs, yeah
