Be my husband, and I'll be your wife  
Be my husband, and I'll be your wife  
Be my husband, and I'll be your wife

Lovin' I'll love you the rest of your life  
If you promise you'll be my man  
If you promise you'll be my man  
If you promise you'll be my man  
I'll be love the best I can  
Stick to the promises you made me  
Stick to the promises you made me  
Stick to the promises you made me  
That you'll stay away from Rosa-Lee

And now I'm hope that you love me good  
Hope that night love me good  
Hope that night love me good  
Hoping that you love me too

If you want me to ask again so  
If you want me to ask again so  
If you want me to ask again so  
Outside you there is no place to go  
Please don't treat me so dark or mean  
Vlease don't treat me so dark or mean  
Please don't treat me so dark or mean  
You're the meanest man I ever seen

Hope that you say me good  
Hope that night love me good  
Hope that night love me good  
Hope that night love me good
