Chorus:

God Shiva is imminent love and transcendent reality
God Shiva my supreme reality

I am here no longer a vision birthed into my body
I accept praise, blame, joy, sorrow
I realize we are in truth the truth we seek god
Perfect this very moment

Chorus

Desire no more what you already possess

You are already free my nature is to love you
My soul identical to god
On a journey to return to my creator bliss

You are my mind of the mind
My eye of eye
Life of my life
