I wanna hold your hand, take you to a picture show  
I wanna hold your hand  
I wanna hold your hand, take you to a picture show  
I wanna hold your hand

A hopeless romantic, that's what I've been called  
So don't talk 'bout love 'cause I'll fall  
Moved by the way you walk, talk, the color of your eyes  
Want to hug and kiss you when you walk by

The way you eat your cereal, it's so cute  
Reading Shakespeare in your birthday suit  
I'm just a hopeless romantic  
Hopelessly in love with you

I wanna hold your hand, take you to a picture show  
I wanna hold your hand  
I wanna hold your hand, take you to a picture show  
I wanna hold your hand

In my script there's a love scene, picture it  
Candles with warm apple cider  
[Incomprehensible] on the radio  
Oh, caress your funky dreads in the candle's glow

Whisper in my ear  
'Cause I'm in the mood for love  
I'm just a hopeless romantic  
Hopelessly in love with you

Kiss and hug you, baby  
Kiss and hug you, baby  
I wanna be with you  
Wanna hold your hand, hold your hand

I wanna hold your hand, take you to a picture show  
I wanna hold your hand  
I wanna hold your hand, take you to a picture show  
I wanna hold your hand

I wanna hold your hand, take you to a picture show  
I wanna hold your hand

I wanna hold your hand, take you to a picture show  
I wanna hold your hand

I wanna hold your hand, I wanna hold your hand  
Sitting in the dark in the back of the picture show, yeah  
And when you sit next, baby, I can hold your hand,  
baby  
Yo, we can hang out, baby, at the picture show

Little talk in the back of the picture show  
Hanging in the back in the dark of the picture show  
We can look back, baby  
And I'll kiss you here, kiss you there  
And kiss you here, kiss you there

Even in the dark, baby, oh  
You kiss all over my neck, baby  
You are sitting in the dark in the back of the picture  
show  
Sitting in the back in the dark of the picture show

Sitting in the back in the dark of the picture show  
You can lean back, baby  
Sitting in the dark in the back of the picture show
