He loves  
With sweetness and sincerity  
While she can only pretend

He caresses her hair,  
(Thinks to himself) such a lovely face  
Gives his entire self  
(Shares his secrets)  
But it's all in vain  
His love for her drowns him  
In a sea of denial  
Her fear of being alone  
Will it keep her there

He loves with sweetness and sincerity  
While she may only pretend  
He loves with sweetness and sincerity

While she may only pretend

The morning comes  
(He reaches out) to feel her warmth  
She pulls away  
(He closes his eyes)  
He's so ashamed  
He's poor in all but truth  
But what a fool is he  
To wish for wine in her empty kiss

He loves with sweetness and sincerity  
While she may only pretend
