You rarely notice but I, I hang on your every word
Everything you say
You're much too busy to notice me
You turn and walk away

Into another's arms hopeless ashamed
Wish I could hold you that way
Brokenhearted, I dream for you to notice me

Wasted time on loving you, wasted time
Wasted time on someone who won't
Love you as much as I
As much as I, as much as I, as much as I

In my fantasy you are asleep beside me
I feel you breathe
If only I could be there for you
The one that you make love to

Wasted time on loving you, wasted time
Wasted time on someone who won't
Love you as much as I
As much as I, as much as I, as much as I

In my fantasy you are asleep beside me
I feel you breathe
If only I could be there for you
The one that you make love to

Wasted time on loving you, wasted time
Wasted time, someone who won't
Love you as much as I
As much as I, as much as I, as much as I

You rarely notice but I, I hang on your every word
Everything you say
You're much too busy to notice me
You turn and walk away

Into another's arms hopeless ashamed
Wish I could hold you that way, broken
