A man he passed, just tried to stare me down  
And when I looked at you, you looked at the ground  
I don't know who he is but I think that you do  
Dag gummit, who is he and what is he to you?

Yeah yes, something in my heart and in your eyes  
That tells me he's not someone just passing by  
And when you cleared your throat, was that your cue  
Dag gummit, who is he and what is he to you?  
Who is he and what is he to you?

Now when I add the sum of you and me  
I get so confused, I keep coming up with three  
My, you're much, too much, too much, too much for  
one  
An' not enough for two  
Dag gummit, who is he and what is he to you?

Now, now I know you think I'm one not much for my  
intuition, yeah  
Is that what you really think or are you wishin'?  
Before you wreck your old home be certain of a new  
Dag gummit, who is he and what is he to you?  
Dag gummit, who is he and what is he to you?

Who is he and what is he to you?  
Come here, let me talk to you  
Who is he and what is he to you?  
Let me know what's going, come here now  
Who is he and what is he to you?  
Tell me, you gotta let me know

Who is he and what is he to you?  
Hey, you gotta let me know  
Who is he and what is he to you?  
Hey girl you treat me nice and foolish  
Who is he and what is he to you?  
Who is he and what is he to you?  
Who is he and what is he to you?
