I remember
When you filled my heart with joy
Was I blind to the truth, which was there to fill the
spaces
And now, you have no interest in anything that I have to
say
I've allowed you to make me feel
I feel so dumb
What kind of fool am I?
You so easily set me aside

You made a fool of me
Tell me why
You say that you don't care
But we made love
Tell me why
You made a fool of me
You made a fool of me

I want to kiss you
Does she want you with the pain that I do?
Can smell you in my dreams
And now when we're face to face
You won't look me in the eye
No time, no friendship, no love
You say don't touch you
I can't touch you no more
Can't touch you
Anymore
Anymore
You(you) made(made) a fool of me(a fool of me)
Tell me why(tell me)
Tell me why(tell me why)
You(you) say(say) that you don't care(you just don't
care)
We made love(we made love)
Tell me why(tell me why)
You(you) made(made) a fool of me(made a fool of me)
Tell me why (You tell me why, I feel like such a fool)
You made a fool of me
You made a fool of me

Tell me why
Tell me why
