I was ready for this since I was crawling
Put my name on the list
You won't be gambling
Not gonna leave with just this we're gonna take
everything

Confidence, compliments
Bet you see it's evident

Catch me if you can, I'm like a bandit
I can float on my feet, you can't stand it
I don't just dance in a group, I command it

We give you more than you want
Than you can handle

When we're out on the floor, we'll take over the ball
Stealing the show
We're gonna leave you in awe
When we're coming up, when we're coming up
We gonna tear it down

You can't stop us now
You can't shut us down
You can't top the sound
Better get ready now
We gonna tear it down

The looks we got 'em
The moves we got 'em
The style we got it
We gonna tear it down

The love we got it
The crowd we own it
Tonight we run it
We gonna tear it down

Coming in so hard, I'm on my "A" game
Don't dispute the art, I'm like a heavyweight
Yeah, I got this far, I'm a renegade

"A" game, heavyweight, renegade, piece of cake

I could do this dance with my eyes closed
When I step on the scene I leave 'em all froze
You wanna rumble with me, I write the protocol

Innovative on the stage
Set the record straight

When we're out on the floor
We'll take the ball
Stealing the show

We're gonna leave you in awe
When we're coming up, when we're coming up
We're gonna tear it down

You can't stop us now
You can't shut us down
You can't top the sound
Better get ready now
We gonna tear it down

The looks we got 'em
The moves we got 'em
The style we got it
We gonna tear it down

The love we got it
The crowd we own it
Tonight we run it
We gonna tear it down

Yes, yes, dem no wan to contest we
Recognise we the best that can be
Sing, dance, rap, get hands the clap
Of course you know that you can't
Hold a candle to our flames
Tear it up and take names
It's not a game
It's a shame you can't be like us
Can't be like us
We leave you in the dust
Oh yes we tear it up

When we're out on the floor
We'll take over the ball
Stealing the show
We're gonna leave you in awe
When we're coming up. when we're coming up
We gonna tear it down

You can't stop us now
You can't shut us down
You can't top the sound
Better get ready now
We gonna tear it down

The looks we got 'em
The moves we got 'em
The style we got it
We gonna tear it down

The love we got it
The crowd we own it
Tonight we run it
We gonna tear it down
