When you wish
When you wish
When you wish
Wish upon a star

When you wish
When you wish
When you wish
Wish upon a star

When you wish
When you wish
When you wish
Wish upon a star

When you wish upon a star
Makes no difference who you are
Anything your heart desires
Will come to you

When you wish
When you wish
When you wish
Wish upon a star

If your heart is in your dream
No request is too extreme
When you wish upon a star
As dreamers do

When you wish
When you wish

Fate is kind
She brings to those who love
And this sweet, fulfillment of
Their secret's longing

Like a bolt out of a blue
Fate steps in and sees you through
When you wish upon a star
Your dreams come true

When you wish
When you wish (yeah yeah yeah)
When you wish
Wish upon a star (your dreams come true)

When you wish
When you wish
When you wish
Wish upon a star (when you wish upon a star)

When you wish
When you wish (when you wish)
When you wish
Wish upon a star (your dreams come true)

When you wish
When you wish
When you wish
Wish upon a star

Fate is kind
She brings to those who love
And this sweet, fulfillment of
Their secret's longing

When you wish upon a star
Makes no difference who you are
Anything your heart desires
Will come to you

When you wish
When you wish

When you wish upon a star
Your dreams come true

When you wish
When you wish
When you wish
Wish upon a star (wish upon a star)

When you wish
When you wish
When you wish (when you wish)
Wish upon a star
