Come take my hand,  
you should know me,  
I've always been in your mind  
You know I will be kind,  
I'll be guiding you

Building your dream  
has to start now,  
there's no other road to take  
You won't make a mistake,  
I'll be guiding you

Chorus:

You have to believe we are magic,  
nothin' can stand in our way  
You have to believe we are magic,  
don't let your aim ever stray  
And if all your hopes survive,  
destiny will arrive  
I'll bring all your dreams alive, for you  
I'll bring all your dreams alive, for you

From where I stand  
you are home free,  
the planets align so rare  
There's promise in the air,  
and I'm guiding you

Through every turn  
I'll be near you,  
I'll come anytime you call  
I'll catch you when you fall,  
I'll be guiding you
