Coming home today,  
a season spent away,  
it is hard for me to see,  
hard for me to say.  
I like your face,  
but I can't anymore.

It was quite a time  
and I'm sure that I'm  
feeling very clear for me,  
very clear for you.  
I like your face,  
but I can't anymore.

Let's do it again.  
I will recall  
there are things  
I could have done.  
I will recall  
there are things  
I should have shown.

Did you find the time  
to keep us both in mind?  
Did you wander far from me,  
wander far from you?  
I like your face,  
but I can't anymore.

Let's do it again.  
I will recall  
there are things  
I could have done.  
I will recall  
there are things  
I should have shown.

To dream is not to say  
I'll take it anyway,  
a year is song enough for me,  
yet here we are today.  
I like your face,

but I can't anymore.
