Love's an hourglass
It goes out wide and comes in closer
Time ticks away
And drifts away leaving empty sanded shoulders
Want to cry on

Who said that love could last forever?
Oh I'm growing tired of feeling like I do

As we drift apart
Little secrets come between us
As we sail away
I'm feelin' comfort in the distance

You said that love would last forever
Oh but neither one of us will ever surrender

And there's a time or there's a place
A change of heart about face
This is about love it's about forgiveness

Ooh tell me now, tell me like it is
You don't have to give
Amnesty is granted

What's done is done for everyone
Come on baby let's start again right now
Amnesty, amnesty, amnesty is granted
Amnesty is granted

Ohh yeah you said that love would last forever
Oh but neither one of us will ever surrender

And there's a time or there's a place
A change of heart about face
This is about love it's about forgiveness

Ohh tell me now, tell me like it is
And no one has to give
Amnesty is granted

Ohh what's done is done for everyone

Come on baby wanna start again right now
Amnesty, amnesty, amnesty is granted

Ohh I've been thinking 'bout you
No one knows I've been thinking 'bout you baby
Thinking about you, thinking 'bout you
Oh it's real now come on baby tell me like it is

You know no one has to give
I've been thinking 'bout you baby
Ooh let's start again
Ah come on, come on
Come on baby, come on baby

Amnesty, amensty is granted
Amnesty, amensty is granted
Amnesty, amensty is granted

Amnesty is granted
Amnesty is granted
Amnesty is granted
Amnesty is granted
