I am not afraid
To show you who I am
And I am not ashamed of my life
Though I've walked alone
Down this cold and soulless road
I've always felt you deep in my bones

With every step I rise and fall
With everything to gain
I end up losing it all
When the darkness gets in
I scream out and
Your light sets me free

I'm not afraid of the past no more
I'm not afraid that I'm bad for good
I used to dance to the devil's beat
If I could bust into hell I would
I'm not afraid to shed all my skin
I'm not afraid of the faults you see
I'm tearing down these walls right now
They're coming down cause I believe

Your love is blind
Blind as a bat
The way that you're leading me
Home like that
Your love is blind
Blind as a bat

I'm not afraid when they kick me down
I'm not afraid when I start to bleed
I'm not afraid if I live or die
I'm not afraid cause I believe

Your love is blind
Blind as a bat
The way that you're leading me

Home like that
Your love is blind
Blind as a bat

And I wish that I could give you
Something in return
For the precious time you wasted
On the tears I never earned
For reachin' out to help me
Cross the bridges I have burned

And in the end you'll finally see
That baby I've done everything I possibly can
I'd do it again
Cause I know you're everything that I need

I'm not afraid of the the truth no more
I'm not afraid of the lies I hid
I'm not afraid of the price of my sins
I curse the day for the wrongs I did
I'm not afraid of the things you know
I'm just a book for the world to read
My final words on the final page
Will be your name cause I believe

Your love is blind
Blind as a bat
The way that you're leading me
Home like that
Your love is blind
Blind as a bat

Your heart is kind
Mine's painted black
The way you forgive me
And just take me back
Your love is blind
Blind as a bat
