I still dream of you wakin' up openin' your eyes
Like a little girl I once knew walkin' to the window
Lookin' down on the street
You walk with me and I walk with you

Well, I thought it all over, it doesn't make any sense
Why did it fall apart when it seemed so innocent?
You and I were like a light from a fallen star
You can't go back, you can't run away from your heart

Don't you look at me like that
'Cause I fall all over again
And I just can't hold on to your love anymore
Don't you look at me like that
'Cause I start all over again
And it just can't be like it was once before

Don't stand there in the rain
Lookin' like some long lost angel
You and I were like a light from a fallen star
You can't go back, you can't run away from your heart
Don't stand there in the rain
Lookin' like some long lost angel

Don't you look at me like that
'Cause I fall all over again
And I just can't hold on to your love anymore
Don't you look at me like that
'Cause I start all over again
And it just can't be like it was once before
