[Janet] What's, what's the next song?

[Q-Tip] The one about me

[Janet] Ohh yeah? I like this song

[Q-Tip] Uhh, what

[Janet] Uhh, uhh

[Q-Tip] What

[Janet] Like Joni says

[Joni Mitchell]

Don't it always seem to go

that you don't know what you've got til it's... *DJ
scratch*

Don't it always seem to go

that you don't know what you've got til it's... *DJ
scratch*

Don't it always seem to go

that you don't know what you've got til it's... *DJ
scratch*

[Janet & Q-Tip] Uhh (ahh) uhh (ahh)

[Joni Mitchell]

DJ scratch That you don't know what you've got til it's
gone

[Janet]

Have a feeling, now believing; that you
were the one I was meant to be with
Oh how I'm wishing; thinking dreaming
bout you, and the love
How'd I ever let you get away

[Joni Mitchell]

DJ scratch Don't it always seem
DJ scratch Don't it always seem
DJ scratch Don't it always seem
DJ scratch Don't it always seem

[Q-Tip] Yeah yeah yeah

[Joni Mitchell]

DJ scratch Don't it always seem to go
that you don't know what you've got til it's...
DJ scratch Don't it always seem to go
that you don't know what you've got til it's...
DJ scratch Don't it always seem to go
that you don't know what you've got til it's...
DJ scratch

[Q-Tip] What? Joni Mitchell never lies

DJ scratch that you don't know what you've got til it's
gone

[Janet]If I could turn back (yeah) the hands of time
(mmm-hmm)

Make you, fall in love, in love with me again
So would you give me, another chance, to love
To love you, love you the right way, no games

[Joni Mitchell]

DJ scratch Don't it always seem
DJ scratch Don't it always seem
DJ scratch Don't it always seem
DJ scratch Don't it always seem

[Q-Tip] Joni Mitchell never lies

[Joni Mitchell]

DJ scratch Don't it always seem to go
that you don't know what you've got til it's...
DJ scratch Don't it always seem to go
that you don't know what you've got til it's...
DJ scratch Don't it always seem to go
that you don't know what you've got til it's...
DJ scratch

[Q-Tip]

One two, one two, yo
Let me just fuck with it for a minute... what?
(*DJ scratch* that you don't know what you've got til it's
gone)
Now you realizin when them nights go long, right
Campaign for me to stay when you know that I'm gone,
right
You act all wild, when I tell you to settle
I was workin round the clock, but your girls want to
meddle
("I heard! Knahmsayin? I heard that you was on the
beach...")
Talk about I heard he swims with this chick on the
beach
That was out with the tide, but my love you impeach

Now you lookin at the walls, head in hands, cold
jonezin
Ringin my house, hangin up and then posin
Now why you wanna go and do dat love, huh?
Now why you wanna go and do dat and do dat huh?
(repeat 4X)

[Joni Mitchell]

DJ scratch Don't it always seem to go
that you don't know what you've got til it's...
(repeat 3X)

[Q-Tip] Joni Mitchell never lies

DJ scratch That you don't know what you've got til it's
gone

[Q-Tip]

Uh-uhh uhh, uh-uh, uh-uh uhh
Uh-uhh uhhh uhh uhh, uh uh
Yo yo, do you feel that, uhh uhh?

Janet laughing with Q-Tip

T-t-t-t-that you don't know what you've got til it's gone

DJ scratch

DJ scratch That you don't know what you've got til it's
gone
