There were nights when the wind was so cold  
That my body froze in bed if I just listened to it right  
outside the window

There were days when the sun was so cruel  
That all the tears turned to dust and I just knew my  
eyes were drying up forever

I finished crying in the instant that you left  
And I can't remember where or when or how  
And I banished every memory you and I have ever  
made

But when you touch me like this (touch me like this)  
Coming And I hold you like that (hold you like that)  
It's so hard to believe but it's all coming back to me

It's all coming back  
It's all coming back to me now

There were moments of gold and there were flashes of  
light  
There were things I never do again but they always  
seem right  
There were nights of endless pleasure  
It was more than any laws allow-baby, baby!

If I kiss you like this (kiss you like this)  
And if you whisper like that (whisper like that)  
It was lost long ago but it's all coming back to me

If you want me like this (if you want me like this)  
And if you need me like that (if you need me like that)  
It was dead long ago but it's all coming back to me

It's so hard to resist and it's all coming back to me  
I can barely recall, but it's all coming back to me now...

But you were history with the slamming of the door  
And I made myself so strong again somehow  
And I never wasted any of my time on you since then!

baby, baby, baby!

When you touch me like this (touch me like this)  
And when you hold me like that (hold me like that)  
It was gone with the wind  
but it's all coming back to me

When you see me like this (see me like this)  
And when I see you like that (see you like that)  
Then we see what we want to see  
-all coming back to me  
The flesh and the fantasies  
-all coming back to me  
I can barley recall,  
but it's all coming back to me now...

If you forgive me all this (forgive me all this)  
If I forgive you all that (forgive you all that)  
We forgive and forget and it's all coming back to me  
now
