The locusts are singing. The Sun is red - It's gotten so late somehow.
There's gonna be trouble. You know what they said.
We should have been home by now. We should have been home by now.
The thunder is rolling. The sky is black.
It's gotten so dark somehow. There's gonna be danger.
God I wish we were back. We should have been home by now. We should have been home by now.
No matter what they tell us. No matter what they do. No matter what they teach us.
What we believe is true. No matter what they call us.
However they attack. No matter where they take us.
We'll find our own way back. I can't deny what I believe.
I can't be what I'm not. I know I'll love forever.
I know - No matter what. If only tears were laughter. If only night was day. If only prayers were answered.
Then we would hear God say: No matter what they tell you. No matter what they do. No matter what they teach you. What you believe is true. And I will keep you safe and strong. And sheltered from the storm. No matter where it's barren. A dream is being born. No matter who they follow. No matter where they lead. No matter how they judge us. I'll be everyone you need. No matter if the sun don't shine. Or if the skies are blue. No matter what the ending. My life began with you.

I can't deny what I believe. I can't be what I'm not. I know this love's forever. I know. No matter what. I can't deny what I believe. I can't be what I'm not. I know this love's forever. That's all that matters now. No matter what. The thunder is rolling. The sky is black. It's gotten so dark somehow. There's gonna be danger. God, I wish we were back. We should have been home by now. We should have been home by now.
