Hot patootie

What ever to saturday nights
When you dressed up sharp and you felt alright
It doesnt feel the same since cosmic light
Came into my life and I thought I was divine
I used to go for a ride with a chick who'd go
And listen to the music on the radio
A saxafone blowing on a rock 'n' roll show
Hot patootie bless my soul I really love that rock 'n' roll
(repeat 3 times)

Saxaphone solo

My head used to swim from the perfume I smelled
My hands kind of fumbled with her white plastic belt

I taste her baby pink lipstick and that's when I melt
She whispered in my ear tonight she really was mine
Get back in front put some hair oil on
Buddy holly was singing his very last song
With you're arms around the girl you really tried to sing
along
It felt pretty good , woo you really had a good time
Hot patootie bless my soal I really love that rock 'n' roll
(repeat three times)

Saxaphone solo

Hoy patootie bless my soal I really love that rock 'n' roll
(repeat eight times)
