I want you so hard
I want you so good
Can you trust me?
Yes, you know, you should
My friends are talkin'
And they're tellin' you
You're wastin' your time
'Cause the boy's bad news
My friends are talkin'
And they're tellin' you
Leave him alone
'Cause the boy's bad news
I want you so hard
I want you so good
Now take a chance
And I know, you should
Trust your instincts
And let me in
Just be my ride
And I'll be my friend
My friends are talkin'
And they're tellin' you
You're wastin' your time
'Cause the boy's bad news
My friends are talkin'
And they're tellin' you
Just leave him alone
'Cause the boy's bad news
Oh, I love it
I want you so hard
I want you so good
But can you trust me?
Yeah, you know, you should
Trust your instincts
And let me in
Just be my ride
And I'll be my friend
My friends are talkin'
And they're tellin' you
Just leave him alone
'Cause the boy's bad news

My friends are talkin'
And they're tellin' you
Just leave him alone
'Cause it's just bad news
Oh, yeah
My friends are talkin'
And they're tellin' you
You're wastin' your time
'Cause the boy's bad news
My friends are talkin'
And they're tellin' you
Leave him alone
'Cause the boy's bad news
My friends are talkin'
And they're tellin' you
You're wastin' your time
'Cause the boy's bad news
My friends are talkin'
And they're tellin' you
Leave him alone
'Cause the boy's bad news
Whoa, gotta tell you now
The boy's bad news
