And I would do anything for love, I'd run right into hell  
and back

I would do anything for love, I'll never lie to you and  
that's a fact

But I'll never forget the way you feel right now, oh no,  
no way

And I would do anything for love, oh I would do  
anything for love

I would do anything for love, but I won't do that, oh no I  
won't do that

Some days it don't come easy, and some days it don't  
come hard

Some days it don't come at all, and these are the days  
that never end

Some nights you're breathing fire, and some nights  
you're carved in ice

Some nights you're like nothing I've ever seen before  
or will again

Maybe I'm crazy, oh it's crazy and it's true

I know you can save me, no one else can save me now  
but you

As long as the planets are turning, as long as the stars  
are burning

As long as your dreams are coming true, you better  
believe it

That I would do anything for love, and I'll be there till  
the final act

I would do anything for love, and I'll take a vow and  
seal a pact

But I'll never forgive myself if we don't go all the way  
tonight

And I would do anything for love, but I won't do that, no  
I won't do that

I would do anything for love, anything you've been  
dreaming of

But I just won't do that

I would do anything for love, anything you've been

dreaming of  
But I just won't do that

Some days I pray for silence, and some days I pray for  
soul  
Some days I just pray to the God of Sex and Drums and  
Rock 'N Roll  
Some nights I lose the feeling, some nights I lose  
control  
Some nights I just lose it all when I watch you dance  
and the thunder rolls  
And maybe I'm lonely and that's all I'm qualified to be  
There's just one and only, the one and only promise I  
can keep

As long as the wheels are turning, as long as the fires  
are burning  
As long as your prayers are coming true, you better  
believe it  
That I would do anything for love, and you know it's  
true and that's a fact  
I would do anything for love, and there'll never be no  
turning back

But I'll never do it better than I do it with you, so long,  
so long  
And I would do anything for love, oh I would do  
anything for love  
I would do anything for love, but I won't do that, no no  
no I won't do that

I would do anything for love, anything you've been  
dreaming of  
But I just won't do that  
I would do anything for love, anything you've been  
dreaming of  
But I just won't do that  
I would do anything for love, anything you've been  
dreaming of  
But I just won't do that

But I'll never stop dreaming of you every night of my  
life, no way  
And I would do anything for love, but I won't do that, no  
I won't do that

Girl: Will you raise me up, will you help me down?  
Will you get me right out of this God forsaken town?  
Will you make it all a little less cold?

Meatloaf: I can do that! Oh, now I can do that!

Girl: Will ya hold me safe and will you hold me tight?  
Can you colourise my life, I'm so sick of black and white  
Can you make it all a little less old?

Meatloaf: I can do that! Oh woah I can do that!

Girl: Can you make us some magic with your own two  
hands?  
Can you build an emerald city with these grains of  
sand?  
Can you give me something I can tak home?

Meatloaf: I can do that! Oh, I can do that!

Girl: Will you cater to every fantasy I got?  
Will you hose me down with holy water, if I get too hot-  
hot?  
Will you take me places I've never known?

Meatloaf: I can do that! Oh oh now, I can do that!

Girl: After a while you'll forget everything  
It was a brief interlude and a midsummer night's fling  
And you'll see that it's time to move on

Meatloaf: I won't do that! No I won't do that!

Girl: I know the territory, I've been around  
It'll all turn to dust and we'll all fall down  
And sooner or later, you'll be screwing around

Meatloaf: I won't do that! No I won't do that!

Anything for love, oh I would do anything for love  
I would do anything for love, but I won't do that, no I  
won't do that
