I'd never tell you one lie.
I'd never let you down.
I'd never leave I'd be the one who'd always be around.
Baby give me a chance.
I'd pull the sun down from the sky.
To light your darkest night.
I wouldn't let one drop or rain fall down into your life.
Put your heart in my hands.
Baby believe me, I could never do you wrong.
And I would never paint your world blue.
And if sometimes it seems I must have lost my mind.
I might be crazy, but I'm crazy about you.

I'd lie for you and that's the truth.
Do anything you asked me to.
I'd even sell my soul for you.
I'd do it all for you.
If you'd just believe in me.

Just take a look in my eyes.
You'll see a love that's blind.
Just take a hold of my hand.
I'll take you to paradise.
Ain't a star that's too far.
Your every wish will be a wish.
That I will make come true.
And if you want the moon.
I swear I'll bring it down for you.
Let me into your heart.
Believe me baby.
Got your name carved on my soul.
'cause you're the only one that I'll give it too.
Go let'em say that I'm a fool to act this way
'cause if I'm crazy, I'm just crazy 'bout you.
I'd lie for you and that's the truth.
Do anything you asked me to.
I'd even sell my soul for you.
I'd do it all for you.
If you'd just believe in me.
I'd lie for you and that's the truth.
Move mountains if you want me to.
I'd walk across the fire for you.

I'd walk on the wild for you.
If you'd just believe in me.
And you will never see a day.
I'll ever break your heart.
You'll see the sky fall down.
Before it ever gets that far.
I'll show you heaven.
Every second that you're in my arms.
Baby I'm crazy, but I'm crazy 'bout you.
I'd lie for you and that's the truth.
Do anything you asked me to.
I'd even sell my soul for you.
I'd do it all for you.
If you'd just believe in me.
I'd lie for you and that's the truth.
Move mountains if you want me to
I'd walk across the fire for you.
I'd walk on the wild for you.
If you'd just believe in me.
I'd lie for you and that's the truth.
Do anything you asked me to.
I'd even sell my soul for you.
I'd do it all for you.
If you'd just believe in me.
I'd lie for you and that's the truth.
Move mountains if you want me to
I'd walk across the fire for you.
I'd walk on the wild for you.
If you'd just believe in me.
I'd lie for you and that's the truth.
