I can't stand to see it no more  
The way you're living with a goddess but you treat her  
like a slave  
And you can't hold her back anymore  
She's like a dreamer in a dungeon or an angel in a  
cave

And I've been closer to you now than any other boy  
And you know that what I'm saying is true  
You're gonna break her up and tear her down and fade  
her away  
And then there's no telling what I'm gonna do

I'll make you pay for everything that you do  
I'll make you pay for everything that you do

But if you give me your girl and then you give me your  
trust  
And if you give me till the end of the night  
I'm gonna love her for both of us  
I'm gonna give her everything you always wanted to  
give  
I'm gonna love her for both of us  
I'm gonna take her every moment that she wanted to  
live

I'll let her shine like a jewel in the crown of the holy sun  
You turned her into a ghost but she'll be burning when  
the night is done  
I'll let her shine like a jewel in the crown of the holy sun  
You turned her into a ghost but she'll be burning when  
the night is done  
You gotta give me your girl and your trust  
I'm gonna love her for both of us

You can't hide away anymore  
You had a chance but you blew it and you'll never get it  
back  
And your holiness was never so pure  
She needs a fire in the heart and not a stabbing in the  
back

And I've been closer to you now than any other boy  
And you know that what I'm saying is true  
You're gonna break her up and tear her down and fade  
her away  
And then there's no telling what I'm gonna do

I'll make you pay for everything that you do  
I'll make you pay for everything that you do

But if you give me your girl and then you give me your  
trust  
And if you give me till the end of the night  
I'm gonna love her for both of us  
I'm gonna give her everything you always wanted to  
give  
I'm gonna love her for both of us  
I'm gonna take her every moment that she wanted to  
live

I'll let her shine like a jewel in the crown of the holy sun  
You turned her into a ghost but she'll be burning when  
the night is done  
I'll let her shine like a jewel in the crown of the holy sun  
You turned her into a ghost but she'll be burning when  
the night is done  
You gotta give me your girl and your trust  
I'm gonna love her for both of us

When the screws are tightenin' and the tears are falling  
I can hear her crying out to be saved  
And like a bolt of lightning I go answer the call  
But she's singing like a siren to me over the waves

I never wanted to take away your lover  
Until I heard her crying out to be saved  
I always thought of you as one of my brothers  
But she's singing like a siren to me over the waves  
Singing like a siren to me over the waves  
There ain't no holding me down

I'll let her shine like a jewel in the crown of the holy sun  
You turned her into a ghost but she'll be burning when  
the night is done  
I'll let her shine like a jewel in the crown of the holy sun  
You turned her into a ghost but she'll be burning when  
the night is done  
You gotta give me your girl and your trust  
I'm gonna love her for both of us

I'm gonna love her for both of us  
I'm gonna love her for both of us

I'm gonna love her for both of us  
(I'm gonna give her everything you always wanted to  
give)  
I'm gonna love her for both of us  
(I'm gonna take her every moment that she wanted to  
live)

I'm gonna love her for both of us  
(I'm gonna give her everything you always wanted to  
give)  
I'm gonna love her for both of us  
(I'm gonna give her everything you always wanted to  
give)

I'm gonna love her for both of us  
(I'm gonna take her every moment that she wanted to  
live)  
I'm gonna love her for both of us  
(I'm gonna give her everything you always wanted to  
give)

I'm gonna love her for both of us  
(I'm gonna take her every moment that she wanted to  
live)  
I'm gonna love her for both of us  
(I'm gonna give her everything you always wanted to  
give)

I'm gonna love her for both of us  
(I'm gonna take her every moment that she wanted to  
live)  
I'm gonna love her for both of us  
(I'm gonna take her every moment that she wanted to  
live)

I'm gonna love her for both of us  
(I'm gonna give her everything you always wanted to  
give)  
I'm gonna love her for both of us  
(I'm gonna take her every moment that she wanted to  
live)

I'm gonna love her for both of us  
(I'm gonna give her everything you always wanted to  
give)  
I'm gonna love her for both of us  
(I'm gonna take her every moment that she wanted to  
live)

I'm gonna love her for both of us

(I'm gonna give her everything you always wanted to  
give)  
I'm gonna love her for both of us
