Look at them now
What do they want?
And what do they do?
Now, nothing at all!

What do they know?
What do they think?
And who do they tell?
Well, no one at all!

Their lives are truly meaningless
And we are busy being blessed

With all that we can take and pocket
No one needs to know
We're the plug and they're the socket
Give us the juice and we'll drown

Can't you hear the choir now?
Listen to the animals sing!
Can't you hear the slaughterhouse bells?
In the land of the pigs the butcher is king!
In the land of the pigs the butcher is king!

How do they sleep?
Their lives are so tawdry
We're the trash collectors
'Cause they're nothing but trash

What do you expect?
They've got no standards
So we lower the bar
'Cause they're perfect for us

And we'll open up Pandora's Box
Pandora gave us keys and locks

They're victims waiting for their mugger
Come to the confessional
So I can tell you all to bugger off
There's no time like now!

Can't you hear the choir now?
Listen to the animals sing!
Can't you hear the slaughterhouse bells?
In the land of the pigs the butcher is king!

Can't you hear the choir now?
Listen to the market-place sing!
Can't you hear the slaughterhouse bells?
In the land of the pigs the butcher is king!
In the land of the pigs the butcher is king...

And we'll do it our way
It's our time to play
We know what to say
They stand in our way
Don't stand in our way
No time like today...

Can't you hear the choir now?
Listen to the anthems we sing!
Can't you hear the slaughterhouse bells?
In the land of the pigs the butcher is king!

Can't you hear the choir now?
Listen to the animals sing!
Can't you hear the slaughterhouse bells?
In the land of the pigs the butcher is king!

Can't you hear the choir now?
Listen to the chosen one sing!
Can't you hear the slaughterhouse bells?
In the land of the pigs the butcher is king!
In the land of the pigs the butcher is king!
In the land of the pigs the butcher is king!
In the land of the pigs the butcher is king...
