If a love as strong as ours  
Couldn't make it all the way  
Can anything make sense at all?

If a love so deep and true  
Couldn't stand the test of time  
Then Mount Everest could slide and Jerusalem could  
fall

Is nothing sacred anymore?  
Is forever just another word?  
Is a promise something people used to keep  
When love was worth fighting for?

If we can say goodbye  
If we can say goodbye  
Is nothing sacred anymore?

If we can say goodbye  
Is nothing sacred anymore?

I can hear the final words  
Every sentence that was said  
Don't know what turned our lives around

It doesn't matter who was right  
There's no justice in a dream  
Never thought a heart could break  
Without making any sound

Is nothing sacred anymore?  
Is forever just another word?  
Is a promise something people used to keep  
When love was worth fighting for?

If we can say goodbye  
If we can say goodbye  
Is nothing sacred anymore?

If we can say goodbye  
If we can say goodbye  
Is nothing sacred anymore?

Our love was as certain as the dawn  
As solid and safe as any love could be  
Our love was a star to wish upon  
And you thought that I'd saved you  
Could've sworn that you saved me

Is nothing sacred anymore?  
Is forever just another word?  
Is a promise something people used to keep  
When love was worth fighting for?

If we can say goodbye  
If we can say goodbye  
Is nothing sacred anymore?

Is nothing sacred anymore?  
Is forever just another word?  
Is a promise something people used to keep  
When love was worth fighting for?

If we can say goodbye  
If we can say goodbye  
Is nothing sacred anymore?

If we can say goodbye  
If we can say goodbye  
Is nothing sacred anymore?

Is nothing sacred anymore?  
Is nothing sacred anymore?  
Is nothing sacred anymore?
