There were nights when the wind was so cold  
That my body froze in bed if I just listened  
To it right outside the window  
There were days when the sun was so cruel  
That all the tears turned to dust and  
I just knew my eyes were drying up forever

I finished crying in the instant that you left  
And I can't remember where or when or how  
And I banished every memory you and I have ever  
made

But when you touch me like this  
(Touch me like this)  
And you hold me like that  
(Hold me like that)  
I just have to admit  
That it's all coming back to me

When I touch you like this  
(Touch you like this)  
And I hold you like that  
(Hold you like that)  
It's so hard to believe  
But it's all coming back to me now

It's all coming back  
It's all coming back to me now

There were moments of gold and there were flashes of  
light  
There were things I'd never do again  
But then they'd always seemed right  
There were nights of endless pleasure  
It was more than any laws allow, maybe baby

If I kiss you like this  
(Kiss you like this)  
And if you whisper like that  
(Whisper like that)  
It was lost long ago  
But it's all coming back to me

If you want me like this  
(If you want me like this)  
And if you need me like that  
(If you need me like that)  
It was dead long ago  
But it's all coming back to me

It's so hard to resist  
And it's all coming back to me  
I can barely recall  
But it's all coming back to me now

But you were history with the slamming of the door

And I made myself so strong again somehow  
And I never wasted any of my time on you since then

But if I touch you like this  
(Touch you like this)  
And if you kiss me like that  
(Kiss me like that)  
It was so long ago  
But it's all coming back to me

If you touch me like this  
(Touch me like this)  
And if I kiss you like that  
(Kiss you like that)  
It was gone with the wind  
But it's all coming back to me now

It's all coming back  
It's all coming back to me now

There were moments of gold and there were flashes of  
light  
There were things we'd never do again  
But then they'd always seemed right  
There were nights of endless pleasure  
It was more than all your laws allow, baby, baby, baby

When you touch me like this  
(Touch me like this)  
And when you hold me like that  
(Hold me like that)  
It was gone with the wind  
But it's all coming back to me

When you see me like this  
(See me like this)

And when I see you like that  
(See you like that)  
Then we see what we want to see  
All coming back to me

The flesh and the fantasies  
All coming back to me  
I can barley recall  
But it's all coming back to me now

If you forgive me all this  
(Forgive me all this)  
If I forgive you all that  
(Forgive you all that)  
We forgive and forget  
And it's all coming back to me now

It's all coming back to me now  
(When I touch you like this)  
It's all coming back to me now  
(And if you do it like this)  
It's all coming back to me now  
And if we
