You don't need to sneak in the door
Just come on in to the room
I've been lying in our bed in the dark all alone
I've been waiting, I've been waiting for you

There's been no reason to move
It's been as still as a tomb
I needed you oh so badly tonight
But I guess you had better things to do

I should have known that it was coming to this
But I must have been blind
I bet you still got a trace of his love in your eyes
And you still got his eyes on your mind

You swore you'd be with me at 7 o'clock
Now it's a quarter to 3
Well whatever you got and whoever it who was
I guess you couldn't get it from me
Whatever you got and whoever it who was
I guess you couldn't get it from me

I know that you love me, there's no need to talk
I see the look in your eyes and I got the proof
And there are no lies on your body so take off your
dress
Oh I just want to get at the truth

I know that you love me, there's no need to talk
I see the look in your eyes and I got the proof
And there are no lies on your body ohh so take off your
dress
Ohh I just want to get at the truth

And there are so many things that I just got to know
You tell me who, you tell me where, you tell me when?
But don't tell me now
I don't need any answers tonight

I just need some love, so turn out the lights
And I'll be left in the dark again
I just need some love, so turn out the lights

And I'll be left in the dark again
I just need some love, so turn out the lights
And I'll be left in the dark again ooh, in the dark again

I should have known that it was coming to this
But I must have been blind
I bet you still got a trace of his love in your eyes
And you still got his eyes on your mind

You swore you'd be with me at 7 o'clock
Now it's a quarter to 3
Well whatever you got and whoever it who was
I guess you couldn't get it from me
No I guess you couldn't get it from me
Oh but down in my soul, down in my soul I know

I know that you love me, there's no need to talk
I see the look in your eyes and I got the proof
And there are no lies on your body so take off your
dress
Ohh, I just want to get at the truth

But there are so many things that I just got to know
You tell me who, you tell me where, you tell me when?
But don't tell me now
I don't need any answers tonight

I just need some love, so turn out the lights
I'll be left in the dark again
I just need some love, so turn out the lights
I'll be left in the dark again
Ohh, I just need some love, so turn out the lights
I'll be left in the dark again

Oh I just need some love, so turn out the lights
I'll be left in the dark again
Oh I just need some love, so turn out the lights
I'll be left in the dark again
Oh I just need some love, so turn out the lights
I'll be left in the dark again

Left in the dark
You made the very first move
