It's all or nothing,  
and nothing's all I ever get  
Everytime I turn it on,  
I burn it up and burn it out  
It's always something,  
there's always something going wrong  
That's the only guarantee,  
that's what this is all about  
It's a never ending attack,  
everything's a lie and that's a fact  
Life is a lemon and I want my money back  
And all the morons and all the stooges with their coins  
They're the ones who make the rules,  
it's not a game,  
it's just a rout  
There's desperation,  
there's desperation in the air  
It leaves a stain on all your clothes and  
no detergent gets it out  
And we're always slipping thru the cracks  
Then the movie's over, fade to black  
Life is a lemon and I want my money back  
What about love?  
It's defective - it's always breaking in half  
What about sex?  
It's defective - it's never built to really last  
What about your family?  
It's defective - all the batteries are shot  
What about your friends?  
They're defective - all the parts are out of stock  
What about hope?  
It's defective - it's corroded and decayed

What about faith?  
It's defective - it's tattered and it's frayed  
What about your Gods?  
They're defective - They forgot the warranty  
What about your town?  
It's defective - it's a dead end street to me  
What about your school?  
It's defective - it's a pack of useless lies  
What about your work?

It's defective - it's a crock and then you die  
What about your childhood?  
It's defective - it's dead and buried in the past  
What about your future?  
It's defective - and you can shove it up your ass!  
I want my money back - life is a lemon  
I want my money back - life is a lemon, life is a lemon  
It's all or nothing, and nothing's all I ever get  
Everytime I turn it on, I burn it up and burn it out  
It's a never ending attack, everything's a lie and that's  
a fact  
Life is a lemon and I want my money back  
And we're always slipping thru the cracks  
Then the movie's over, fade to black  
Life is a lemon and I want my money back  
Back, back, back, back!  
I want my money back,  
I want my money back - life is a lemon
