Lost boys and golden girls
Down on the corner and all around the world
Lost boys and golden girls
Down on the corner and all around, all around the
world

It doesn't matter where they're going
Or wherever they've been
'Cause they got one thing in common, it's true

They'll never let a night like tonight go to waste
And let me tell you something
Neither will you, neither will you

We gotta be fast, we were born out of time
Born out of time and alone
And we'll never be as young as we are right now
Running away and running for home, running for home

It doesn't matter where they're going
Or wherever they've been
'Cause they got one thing in common, it's true

They'll never let a night like tonight go to waste
And let me tell you something
Neither will you, neither will you, neither will you

Lost boys and golden girls
Down on the corner and all around the world
Lost boys and golden girls
Down on the corner and all around, all around the
world
