{"This is one of the neighbors from down the street
This racket of this music has been goin' on all
afternoon
And I'm sick and tired of it if it doesn't stop I'm calling
the police"}

You got me on the run you got it your way
Now I'm feeling pretty good and I'm beginning to sweat
Your love is so fine, it's got me feelin' alright
Going out of my mind I got to have you tonight

The girl's so deep inside like blood in my veins
Never lets me hide now I'm going insane
It makes me climb the walls, bite my nails to the bone
Oh it always by my side it never leaves me alone

When it's time to get tough I'm masculine
(Masculine, masculine)
When she wants to play rough I'm masculine
(Masculine, masculine)
Masculine

I know that I'm a man from the spark in my soul
It can make me so hot you got out of control
Grab her by the hair drag her back to your cave
It's what makes a man a man people always stay the
same

When it's time to get tough I'm masculine
(Masculine, masculine)
When she wants to play rough I'm masculine
(Masculine, masculine)
Masculine

Masculine, masculine
Masculine, masculine
Masculine, masculine
Masculine, masculine

In the heat of the nite
(Masculine, masculine)
And in the dark of the day

(Masculine, masculine)
Anytime, anyplace, anyway
(Masculine, masculine, masculine)

When it's time to get tough I'm masculine
(Masculine, masculine)
When she wants to make love I'm masculine, that's the
same
When she wants to make love I'm masculine

When she wants to play rough I'm masculine
(Masculine, masculine)
When she wants to make love I'm masculine
(Masculine, masculine)
If you push me I'll shove I'm masculine

When she wants to play rough I'm masculine
When she wants
