I've been trying for hours just to think of what exactly to say

I thought I'd leave you with a letter or fiery speech  
Like when an actor makes an exit at the end of a play

And I've been dying for hours  
Trying to fill up all the holes with some sense  
I'd like to know how you faded and you threw it away?  
I'd like to give you all the reasons and what everything meant

Well I could tell you goodbye or maybe see you around  
With just a touch of a sarcastic thanks  
We started out with a bang and at the top of the world  
Now the guns are exhausted, the bullets are blanks  
And every thing's blank

If I could only find the words then I would write it all down  
If I could only find a voice I would speak  
Oh it's there in my eyes, oh can't you see me tonight  
C'mon and look at me and read 'em and weep

If I could only find the words then I would write it all down  
If I could only find a voice I would speak  
Oh it's there in my eyes, oh can't you see me tonight  
C'mon and look at me and read 'em and weep

I've been whispering softly, trying to build a cry up to a scream  
We let the past slip away and put the future on hold  
Now the present is nothing but a hollowed out dream

And I've been dying for hours  
Trying to fill up all the holes with some sense  
I'd like to know why you faded and you threw it away  
I'd like to give you all the reasons and what everything meant

Well I could tell you goodbye or maybe see you around  
With just a touch of a sarcastic thanks

But now the rooms are all empty, the candles are dark  
The guns are exhausted  
And the bullets are blanks and every thing's blank

If I could only find the words then I would write it all  
down  
If I could only find a voice I would speak  
Oh it's there in my eyes so can't you see me tonight  
C'mon and look at me and read 'em and weep

Oh it's there in my eyes and coming straight from my  
heart  
It's running silent and angry and deep  
Oh it's there in my eyes and it's all I can say  
C'mon and look at me and read 'em and weep

For all the hours we've been spending along  
For all tears raining down  
And all those promises we promised to keep  
They won't be kept in vogue

For the magic that are bodies had made  
For the love that we lost  
And all the secrets that we somehow betrayed  
Hold my another cause

For the myth we still having affair  
For the lives we been lived  
And all the things that can never be kept  
Why don't you look at me and read 'em and weep?  
C'mon and look at me and read 'em and

It's there in my heart, it's all I can say  
C'mon and look at me and read 'em and weep
