Talking, talking wealth, talking money, talking power  
Talking horses, talking fun, talking self, talking power  
Talking power, talking power and talking power  
Money is power, power is fame

Talking about rock 'n' roll mercenaries  
Soldiers of fortune by some other name  
I'm talking about rock 'n' roll mercenaries  
Money is power, an' power is fame

Everything you pay to hear just listen  
Everything to catch your ear just listen  
Whatever it takes, they're ready to sell  
Anything and everything they do it themselves

Talking about rock 'n' roll mercenaries  
Soldiers of fortune by some other name  
I'm talking about rock 'n' roll mercenaries  
Money is power, an' power is fame

Young are the victims so easily swayed  
As some given are poisoned, all continuous placed  
Our conscience is a load, so heavy to carry  
For a rock 'n' roll mercenary

Talking about rock 'n' roll mercenaries  
Soldiers of fortune by some other name  
I'm talking about rock 'n' roll mercenaries  
Money is power, an' power is fame

Talking, talking, talking  
Talking, talking, talking  
Talking, talking, talking

It starts with a game, see how they play  
Till all of the laughter is faded away  
It's not for the song, it's not for the love  
It's just for the gold and there's never enough  
Never enough
