Close your eyes, my love, my own
My precious child, mo stÃ³irÃn

DÃ³n do shÃ³il, a rÃ³n mo chroÃ
Is gheobhair feirÃn amÃirach

The summer's come with warmth and sun
The grainy leaves are growing
Softly sleep while watch I keep
The breezes gently blowing

(Chorus)

Your father comes across the land
With gifts for you and for me
Ducks and eggs in either hand
And freshest fish from Tra Li

DÃ³n do shÃ³il, a rÃ³n mo chroÃ
A chuid den tsaol, 's a ghrÃi liom
DÃ³n do shÃ³il, a rÃ³n mo chroÃ
Agus gheobhair feirÃn amÃirach
(Chorus)
