Ar Thoraigh na dtonn tãil'm ag triall anonn
Thar farraige thorannach gharbh rã-dhoimhin
Tã na faoileãiin ag gaoch, "Fãilte romhatsa ar ais"
Agus Iãimeann an bãid le teann ãithais fãm

Mar sin canaigã a ard-fhaoileãiin sa spãir
Agus Iãl'm leat a bhãid go hãithasach san aer
Agus beir leat a ghaoth an scãal isteach go cuan
Ag fãgairt go bhfuilim ag filleadh ar mo rãn

To Toraigh na dtonn I am making my way
Over rolling waves, washed with salty spray
The seabirds skim the surging foam
And call from the island a welcome home

Leap, then, oh boat, with joy toward the sky
And cry out, you gulls, that circle now on high
And carry, oh wind, the word across to shore
And bear home the news of returning once more

Ar Thoraigh na dtonn (To Tory of the waves)
Tãil'm ag tarraingt isteach (I am pulling in)
I'm' shãile tã dãchas (In my eyes there is hope)
I'm' chroã tã misneach (In my heart there is courage)
ãir chãmse mo chãadshearc (Because I see my first
love)
Ag feitheamh le m' theacht (Awaiting my coming)
Is nã scarfar ã chãile (And we will never)
Arãs muid go brãich (Be parted again)

Mar sin canaigã a ard-fhaoileãiin sa spãir
Agus Iãl'm leat a bhãid go hãithasach san aer
Agus beir leat a ghaoth an scãal isteach go cuan
Ag fãgairt go bhfuilim ag filleadh ar mo rãn
