I've been a drifter most all my life
Just a restless renegade
That can't be tied

I am gambler, dangerous rambler
Keep these steel wheels rollin'
And a six string by my side

Gotta bottle by my bed
To drown the voices in my head
That try to steer me clear of doin' wrong

If you play with fire they say
You're gonna get burned one day
Yeah, I already feel the heat wave comin' on

Yeah, I know I'm livin' on borrowed time
Livin' like a rebel playin' outlaw music
Havin' the time of my life

Better lock me up and throw away the key
If you call that a crime
'Cause that's the way I'll do it till I die
I'm livin' on borrowed time

There's ain't no lady
That ever saved me
Make myself a vow that
I'd never cross that line

It might be a mistake
That's just the path I take
But there's room for two
You wanna take a ride

Yeah, I know I'm livin' on borrowed time
Livin' like a rebel playin' outlaw music
Havin' the time of my life

You better lock me up and throw away the key
If you call that a crime
'Cause that's the way I'll do it till I die

I'm livin' on borrowed time

Yeah, I know I'm livin' on borrowed time
Livin' like a rebel playin' outlaw music
Havin' the time of my life

Better lock me up and throw away the key
If you call that a crime
'Cause that's the way I'll do it till I die
I'm livin' on borrowed time
Livin' on borrowed time
