I was raised where the rivers run wild  
Iâ€™ve been a man since I was a child  
Born to the blues and bound to survive

Iâ€™m for living against the cards  
Like me next chance is all I got  
So go on and roll the dice

Go on, roll the dice  
Never once have I ever thought twice  
I just lay them down and let them ride

Go on, roll them bones  
Aim for the stars and shoot for the moon  
Go on, and roll the dice

I lost my heart to a woman in red  
I was under her spell I ainâ€™t over yet  
She turned me loose on a black magic night

I bet my soul to a blue devilâ€™s dare  
Had me some chances but never a prayer  
So go on, and roll the dice

Go on, roll the dice  
Never once have I ever thought twice  
I just lay them down and let them ride

Go on, roll them bones  
Aim for the stars and shoot for the moon  
Go on, and roll the dice

Go on, roll the dice  
Never once have I ever thought twice  
I just lay them down and let them ride

Go on, roll them bones  
Aim for the stars and shoot for the moon  
Go on, and roll the dice

Go on, roll the dice  
Never once have I ever thought twice

I just lay them down and let them ride

Go on, roll them bones

Aim for the stars and shoot for the moon

Go on, and roll the dice
