I guess I should have seen it coming
I should have read those warning signs
But her leavin' me was something
That never even crossed my mind

Till she said see ya, wouldn't wanna be ya
Wouldn't wanna stand in your shoes
And watch me walkin' out on you
It's too late, you're findin' out the hard way
Boy, I'll see ya, wouldn't want to be ya

She was standin' at the door when I told her

I was sorry for the things I didn't say
I asked for one more chance to start all over
But it's over was all over her face

And she said see ya, wouldn't wanna be ya
Wouldn't wanna stand in your shoes
And watch me walkin' out on you
It's too late, you're findin' out the hard way
Boy, I'll see ya, wouldn't want to be ya

It's too late, you're findin' out the hard way
Boy, I'll see ya, wouldn't want to be ya
Boy, I'll see ya
