Every light in the house is on
I guess, waitin' on you and me
I know I told them midnight, now it's almost daylight
Could be losing more than sleep

Oh, I know we're in trouble, yes, I do
But I don't care about that, I just care about you

I don't wanna be your daddy's favorite
An' I don't wanna be your brother's best friend
No baby, that's not the way this love story goes

I'm not the answer to your mama's prayin'
An' I don't care what all your friends are sayin'
I just wanna be the one you love the most

Now we could blame it on the yellow moon
We could blame it on thousand stars
We can tell them that we broke down
Some where uptown, blame it all on the car
Yeah, there's been a story, we can make it up
But I just wanna tell him all the story of love

I don't wanna be your daddy's favorite
An' I don't wanna be your brother's best friend
No baby, that's not the way this love story goes

I'm not the answer to your mama's prayin'
An' I don't care what all your friends are sayin'
I just wanna be the one you love the most

I don't wanna be your daddy's favorite
An' I don't wanna be your brother's best friend
No baby, that's not the way this love story goes

I'm not the answer to your mama's prayin'
An' I don't care what all your friends are sayin'
I just wanna be the one you love the most
Yeah, yeah, I just wanna be the one you love the most
