

## Confederate Railroad "Thick as Thieves"

Visit "[Thick as Thieves](#)" on MotoLyrics.com

Well the boys and me, we're thick as thieves  
We stick together just like glue  
Yeah, we ride the range like the Dalton gang  
And raise hell like a Pirate crew  
Well, we're one for all, all for one, compadres all the  
way  
From your first shot of snake bite 'til your last dyin' day

### CHORUS

We're thick as theives, tight as a noose  
Close as they come, out on the loose  
One of us cries, we all go through it  
Another lies, we all swear to it  
If you mess with one of us  
You've got the rest to go through first (hoss)  
My posse and me, we're thick as thieves

Now if they call your bluff, when you're talkin' tough  
We'll be right there to back you up  
And we know it's true, we can count on you  
When the goin' gets a little rough  
Through thick and thin, lose or win  
We're amigos down the line  
Like the Texas Rangers and the Musketeers  
Our motto's "Semper Phi"

Now when your wife's on the phone sayin' "Get on  
home"  
We'll tell her you ain't here  
And when she comes around, tryin' to track you down  
We'll hide you out till the coast is clear  
Yeah, we'll pick up the tab when the times are bad  
And let you buy when you're ridin' high  
Back your hand to the very last man  
And set you straight when you get out of line

### REPEAT CHORUS
