I remember waking in the morning  
To the sound of the rooster's crow  
Mamma cooking in the kitchen  
Arthur Godfrey on the radio

Me and Dad were just like strangers  
We never did see eye to eye  
Came to blows one Sunday morning  
So I packed my bags and I said goodbye

### CHORUS

When you leave that way you can never go back  
A train won't run on a torn up track  
Sometimes I wish I'd never roamed, oh no  
'Cause when you leave that way you can never go  
home

Then I met a girl in Knoxville  
(You Can Never Go Back)

Oh, we set our wedding day  
I left her standing at the alter  
With a baby on the way  
REPEAT CHORUS

Lord I'd love to see my mom and daddy  
And what I'd give to hold that boy of mine  
I'd get down on my knees and I'd say I'm sorry  
If I could only go back one more time

But I killed a man in Houston  
When he caught me with his wife  
And I told the preacher man to leave me alone  
When he came to read my rights

### CHORUS

He said son, when you leave this way you can never  
come back  
A soul won't roll on a torn up track  
All through eternity you'll roam alone  
'Cause when you leave this way you can never come  
home

All through eternity you'll roam alone  
'Cause when you leave this way you can never come  
home
