Substandard pisspoor people, bland and pointless  
soap opera scenes  
Diluted ideals regurgitated, vomit forth from TV  
screens  
Saying and screaming the same old things  
The usual lies about everything, like Fashion, Religion  
and Deviant Sex  
The Rich and The Famous, and Life After Death  
Is Normal Abnormal: Is Abnormal Normal?  
Its the things that you do  
Its the things that you say  
They use certain weapons to keep us in line  
So we live half a life then get bored and die  
But there is so much to do, and there is so much to try  
And not much more to most people, than meets the eye
