

Mechanical Cabaret "Sterilized"

I taste like Polypropylene, A silicon face with a plastic sheen
I'm a carbonized Robot, A synthesis of what is not
The food I eat is electric blue; I only drink sci-fi pink C02
I communicate via binary, I never sleep and I don't have dreams
Are You A User? Are You being Used? Are You A User?
Are You being Used?
Are You the Abuser or are You the Abused? Are You a User?
I was contrived from a tube of cum
A flick of the wrist next generation
The Internet shows me how to behave;
I downloaded my life but forgot to press save!
Sterilized, Immunized, Willingly Hypnotized
Kill yourself with a virtual gun - and then your death,
too, can be pointless and numb
