I'm a cork on the ocean  
Floating over the raging sea  
How deep is the ocean?  
How deep is the ocean?  
I lost my way  
Hey hey hey

I'm a rock in a landslide  
Rolling over the mountainside  
How deep is the valley?  
How deep is the valley?  
It kills my soul  
Hey hey hey

I'm a leaf on a windy day  
Pretty soon I'll be blown away  
How long will the wind blow?  
How long will the wind blow?  
Ohhhh

Until I die  
Until I die  
These things I'll be until I die  
These things I'll be until I die  
These things I'll be until I die  
These things I'll be until I die  
These things I'll be until I die  
These things I'll be until I die  
These things I'll be until I die  
These things I'll be until I die  
These things I'll be until I die  
These things I'll be until I die  
These things I'll be until I die
