Sitting at the bottom of this ocean of tears -  
With my fears through the years - my heart is  
screaming but nobody hears -  
Trying to learn how to fly - and get rid of all this pain  
inside - and finally spread my wings up to the sky -  
From the bottom to the top - from the ocean to the stars  
-  
Wishing I could see my soul flying across these bars -  
Teach me how to fly now guide me and protect me -  
And if I ever fall please come and get me

ah dimm tu  
cumm aggia f?  
a sta assent chistu core  
ca nun sape c'adda f?  
e pens sul a do vul?  
e chiagn sul  
a miezz a via

Dimm tu  
Che se po f?  
pe ritruv? a felicit?  
ije nun so cumm aggia f?  
ije pens sul a do vul?  
e chiagn sul  
In miezz a via

How can you leave a heart alone down the street - or  
a thousand of miles deep in the ocean with no heat -  
you will never know the feeling - unless you've been  
there - where your heart is always bleeding and your  
soul has no air - how can you expect a soul to carry all  
this evil - wandering in the dark on a trip with no  
arrival - help me release my soul - please help me to  
fight my fears - or forever I'll be swimming in this  
ocean made of tears

ah dimm tu  
cumm aggia f?  
a sta assent chistu core  
ca nun sape c'adda f?  
e pens sul a do vul?

e chiagn sul  
a miezz a via

Dimm tu  
Che se po f?  
pe ritruv? a felicit?  
ije nun so cumm aggia f?  
ije pens sul a do vul?  
e chiagn sul  
In miezz a via
