As a child I was running free  
Like a leaf in the wind  
The days seemed endless  
No worries then  
There was no ball and no chain

I look back on those days with a yearning in my heart

Land of forgotten dreams

As we grow older, our hearts turn cold  
We're no longer running free  
Live our lives in captivity  
Now we're chained to the ground

But I look back on those days with a yearning in my  
heart

Land of forgotten dreams

[SOLO]

As a child I was running free  
Like a leaf in the wind  
The days seemed endless  
No worries then  
There was no ball and no chain

I look back on those days with a yearning in my heart

Land of forgotten dreams
