Time is on our side
Is on our side tonight
We step in line

Time is on our side
Is on our side tonight
We step in line

Hope is in our minds
Rests in our minds tonight
We're more than fine

Staring into those eyes
The stars reflection's so divine
A risk never worth more than tonight
Cause it all come down to this
It all comes down to this
It all sums up to this
Love

Time is on our side
Is on our side tonight
We step in line

Love is in our eyes
Is in our eyes tonight
Your hand in mine

Staring into those eyes
The stars reflection's so divine
A risk never worth more than tonight
Cause it all comes down to this
It all comes down to this
It all sums up to this
Love

Time is on our side
Is on our side tonight
Your hand in mine

Staring into those eyes
The stars reflection's so divine

A risk never worth more than tonight
Cause it all comes down to this
It all comes down to this
It all sums up to this
Love
