For you..

I('ll) tell you how I'm feeling
My heart's so floral and so free
Begin a dream that's happy
So hang on a shot of morphine

It's good to say goodbye to my fate
I want you (to) know
I'm ready to be happy
So it's my turn
I need to say..

LAST MESSAGE FOR YOU
You don't have to love me,
Can't you see i'm done with you?
LAST MESSAGE FOR YOU
I can't take it no more
I don't want you anymore!

(You think you're so smart..)
(All your hair and make-up..)

For you..
