I'm setting up Sunday
Watching the winter grow so, oh, no
Oh, We're making excuses
For human frailties
It's not about me
Oh, it's never about me

Now home is gone
I'm lost and alone
Now my lovers gone
I'm lost and alone

Kid, I'm right here
And I'm not leaving
There's no way to make you stay
But, I'm saving all my worries for
The day you don't need me

We're selling out Mondays
Watching those children grow, so cold, no
Oh they're weighing our hands down
Our Insecurities
It's not about me
Oh, it's never about me

Now I can't go on
I'm lost and alone
Now my lovers gone
I'm lost and alone

Kid I'm right here
And I'm not leaving
There's no way to make you stay
But, I'm saving all my worries for
That day you don't need me

Kid I'm right here
It's now morning
There's no way
Please stay

Setting up Sunday
Watching their hearts in soil
Grow mold
