Too many memories and phone calls
Too many pictures of you on the walls
And not enough of you in my arms
(Whoa)

I count the seconds with my heart beat
I close my eyes and see you here with me
I feel the miles standing in between
I'm still alone and

(Chorus)
Days go by
Are we getting closer to a better life?
I can't say "I love you" through a million walls
So tell me when will you be
Closer to me

(Closer to me)

Do you miss me like I miss you?
Or see my face in everything you do?
I dream about you in the light of day
I'm not okay and

(Chorus)
Days go by
Are we getting closer to a better life?
I can't say "I love you" through a million walls
So tell me when will you be
Closer to me

(Bridge)
All I know is that i want you here
And when you're gone I disappear
All I know is everytime you leave
You take the biggest part of me
With you

Days go by
Are we getting closer to a better life?
I can't say "I love you" through a million walls
So tell me when will you be

Closer to me

(Chorus)

Days go by

Are we getting closer to a better life?

I can't say "I love you" through a million walls

So tell me when will you be

Closer to me
