Walking through the halls
You think i dont see you
But boy i do

We've been playing this game
For quite some time yeah
It's starting to break through

Im not the type
Who likes to be chased
But with you
You better get me amazed

Do I Drive you crazy
And have you been missing me lately
Im not trying at all
And thats what amuses me
Do I drive you crazy
Crazy AZY AZY AAAZY AZY AZY

I wont text,I wont talk
Because I wont let you know that i miss you
Unless you hear this song
You'll never know because
I shoud win an oscar
(oscar)

Im not the type
Who likes to be chased
But with you
You better get me amazed

Do I Drive you crazy
And have you been missing me lately
Im not trying at all
And thats what amuses me
Do I drive you crazy
Crazy AZY AZY AAAZY AZY AZY

Take it all back
Take it all back
(take it all back)

You know that you want to
(want to)

Everything you lack
Everything you lack
(Everything you lack)

Too bad its starting to come unglued

Do I Drive you crazy
And have you been missing me lately
Im not trying at all
And thats what amuses me

Do I Drive you crazy
And have you been missing me lately
Im not trying at all
And thats what amuses me
Do I drive you crazy
Crazy AZY AZY AAAZY AZY AZY
CRAZY CRAZY CRAZY

DO I DRIVE YOU CRAZY???
